

Rates

My motto

High quality work and fair pay go hand in hand. That is why my fees align with the Austrian Interpreters' and Translators' Association's recommendations.

Hourly rates, standard lines and more

Translation rates can be calculated using different criteria, most commonly per standard line, page, or hour:

Standard line = 55 characters (including spaces between words)

Standard page = 1,500 characters (including spaces between words)

<i>Rates are per interpreter (simultaneous interpreters <u>always work in a team of two</u>)</i>	
Half-day rate	€ 450 to € 550
Full-day rate (> 4 hours)	€ 600 to € 750

Consecutive interpreting	
Short duration (up to 1 hour max.)	€ 250 to € 400
Half-day rate	€ 450 to € 590 (alone) € 450 to € 550 (team of two interpreters, price per interpreter)
Full-day rate (> 4 hours)	€ 670 to € 850 (alone) € 600 to € 750 (team of two interpreters, price per interpreter)

Remote interpreting
For remote interpreting, the rates listed above plus a 10-20% surcharge apply.

The above-mentioned rates are approximate. The actual price depends on the duration of the assignment, the complexity of the topic and thus the associated preparation time, the interpreting mode, and, where applicable, travel expenses.
